In Nov. of 2000 I diluted 3 prescriptions of chemo therapy drugs. These prescriptions were ~~from~~ ^{PRC} for Dr. Hunter's ^{PRC} patients. I diluted the prescriptions by 10%. And they received a 90% solution. I did this because I was running short on stock. PRC

^{PRC} Between March 8th of 2001 and June 12th of 2001 I ~~at~~ ^{PRC} diluted approximately 124 prescriptions involving 34 patients of Dr. Hunter's. This was done because of financial issues mainly due to large state and federal taxes due for 2000 and the 1st quarter of 2001. This tax liability was over \$600,000. I also had a commitment to my church of \$1,000,000. During 1998 and 2000 I donated approximately \$35,000 each year. I owe another \$53,000 for 2001. This donation was for a building fund.
