The ^{Official} TRUTH ABOUT TROY

①

The following information is an official list of truths as they relate to Troy David Stafford AKA Troy David Stratos. For all of you who say that you "MET TROY", I have only this response - I "KNOW TROY" quite well, in fact, better than anyone else on this planet, because I "AM TROY" and this is a site dedicated to my own integrity and self-preservation. This site is NOT meant to harm, insult, or slander anyone, nor is it an official rebuttal to any accusation made against my name or alleged activities. This PORTAL OF TRUTH is an honest reflection from me to anyone who really cares to know what I know about various issues/statistics/and circumstances in my life. As for those of you who have nothing better to do, I thank you all for flattering my existence with the world's most precious currency - your time. For anyone who decides to read further, be very clear that I will not deliberately post any statement here unless it is 100% true and verifiable. I will update the list occasionally as ~~needed~~ necessary. I will not attack anyone on this site who has in the past or is currently gaining pleasure from my demise, but I hope that my sincere updates from time to time help to set the record straight as a benefit to all ~~the~~ people who have loved and supported me all these years. true friends and family who I will cherish each and every day. I wish you love, peace, and joy.

Yours Truly

Troy

I am an extremely indecisive person when it comes to transportation, location, and people

I am a very generous ~~person~~ ^{man}. If I can help a person I inspire the change and I help to ~~rebuild~~ collaborate a better situation. On occasion I have inadvertently hurt people's situations with bad advice, leaving them worse off than when they started.

My greatest downfall or character ~~flaw~~ ^{Flaw} is making promises/offers to people and not keeping my words on time or ever. For this issue alone, I can see why ~~so~~ so many people are angry and upset with me and to each of them I am so very sorry for causing them and myself so much unnecessary pain. I am trying to correct myself from that kind of destructive behavior.

I have never blackmailed anyone

Although I have represented to people closest to me and various business contacts that I have a serious corporate interest in acquiring the RKO catalog, I have never represented that I own it; Nor have I ever told anyone that I have the rights to any catalog ^{other than} ~~except~~ my own.

I have never left an unpaid hotel bill in the UAE or the Middle East. ~~at all~~

I have ^{had} no current business or bank accounts in UAE or Italy at this time or ever before.
